## HOFSTAR DARK LAGER (BITTERS)

This beer is the best imported Dark Lager we carry. It's very smooth and has a nut brown flavor *without* the sweet aftertaste common to so many imported darks. It's especially good with food.

## OUR OWN IMPORTED BIERHAUS LAGER

Makes a superb European style beer. And, it's amazingly inexpensive! This new 2 lb. 6 oz. can makes 5-6¾ gallons of either light or dark lager — your choice. The unique flavor is a result of special malting barley grown in Yorkshire, England. Our most popular imported beer.
